

Midwest Electric Products, Inc.

Service Entrance

Designed for homes and RV parks, Midwest service entrance equipment meets NEC requirements and is UL Listed. Pedestal or surface mounted.

Power Outlets

Receptacles, overcurrent protection, disconnecting means, metering and pedestal mounting (as required) are delivered in a single, ready-to-go enclosure.

Transfer Switches

Choose single or three phase configurations, 100-400A, in ratings through 600V.

AC Disconnects

Our AC disconnects meet NEC 440-14 and come in the full range of ratings and types.

All Midwest Electric equipment comes with:

- More than 45 years of experience in manufacturing outdoor electrical equipment
- G90 galvanized steel or thermoplastic enclosures for maximum corrosion protection
- The highest quality electrical components
- Designs that keep user safety in mind
- The expertise and support of a nationwide network of distributors and independent manufacturers' reps.
- \$750 freight prepaid

Terminal Boxes

The enclosure protects all terminations and allows for easy connections. 240V single and three phase (with 600 Volt ratings).

Temporary Power Equipment

Receptacles, overcurrent protection and, where needed, meter sockets and GFCIs are fully assembled in a single enclosure, ready to mount and connect.

Marina Electrical Equipment

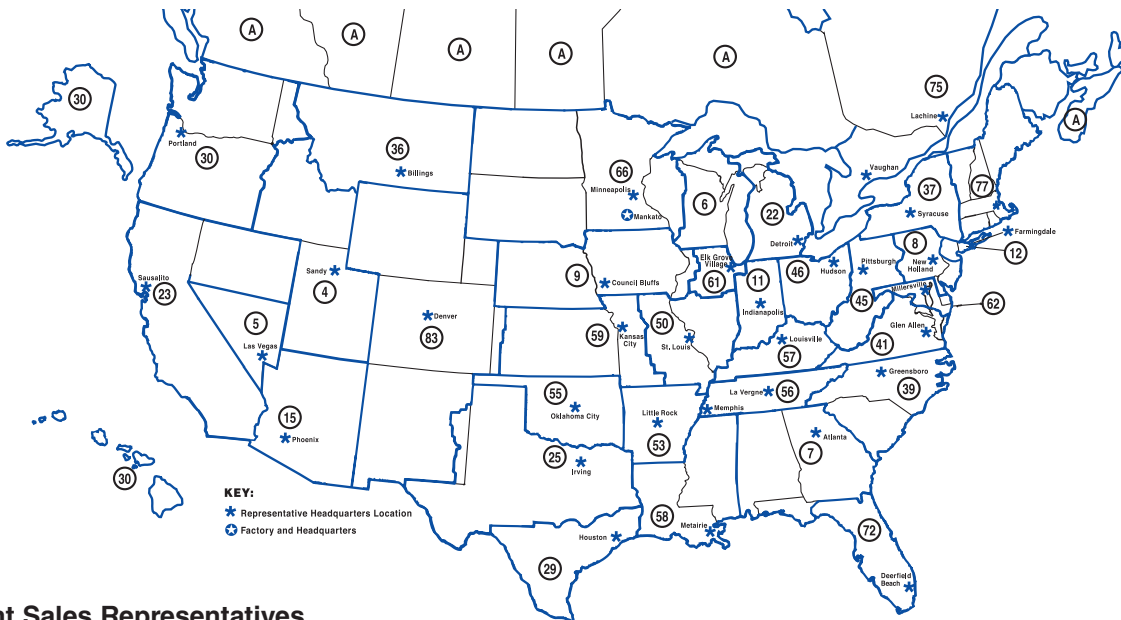

Midwest offers metered and unmetered marina power outlets, and carries both metal and non-metallic, in either surface mount or pedestal configurations.

Recreational Vehicle Park Equipment

Midwest delivers it all in both metallic and thermoplastic units with options for electronic metering, integrated TV/telephone and lighting.
